

In 2018, Florida Realtors President Christine Hansen is Making Magic by ...

WALK THE WALK

We are reminded of the line from the hit movie “Field of Dreams, ...” *if you build it, they will come.*” If we show clear and compelling PAC value, they will come. We are still experiencing the thrill of our first-ever Triple Crown award. As Christine says, “this was a magical moment setting the stage for more success.”

The Next Step? It's A Shoe In.

As you probably noticed, we **walk the walk** in our Realtor and PAC-branded shoes. We wear these shoes with pride, to strengthen our Realtor family and to highlight the importance of investing in our profession.

THE NEXT WAVE 2018

Florida is proud to announce **THE NEXT WAVE**, a Florida YPN event.

THE NEXT WAVE will be held at the One Ocean Hotel September 19-20 in Jacksonville Florida.

Topics will include Realtor® branding, professional growth, Tech Round Table and the power of Social Media for Realtors. The conference will feature Keynote Speaker Kristen Smith and to add a local flair, many of our peer groups will feature local talent. Florida YPN is collaborating with our YPN Region 5 partners (Alabama, Florida, Georgia, Mississippi, Puerto Rico & US Virgin Islands) to lend their insight and expertise to **THE NEXT WAVE** Conference.
