

Annual Meetings Research Guide

NAR Archives Research Guide

The National Association of REALTORS® Archives produces Research Guides with the goal of helping members, scholars, and staff locate information held in the Archives. Each Guide covers one series of records, providing historical background and context on how the materials relate to NAR as a whole. In addition, the Guides contain content lists, brief notes about the materials, and box locations within the Archives. Researchers can use these Guides to gain a better understanding of the materials and quickly decide which records may be most relevant to their research.

Annual Meetings

Series B5:01

<https://realtor.soutrnglobal.net/Portal/Members/en-US/RecordView/Index/5753>

Each year since 1908, the National Association of REALTORS® has held an annual meeting for all members. In addition to providing an opportunity for members to gather together, the event serves as a meeting forum for the Board of Directors and NAR committees and celebrates the inauguration of the incoming President.

NAR held one large event a year until 1923, when it introduced the Midwinter Meeting. Midwinter allowed the new President to begin their term and instituted a second annual meeting of the Board of Directors. The Association discontinued the Midwinter Meeting in 1937, reinstating it in 1961.

A year later, NAR added the Midyear Meeting to its schedule. Created to focus on legislative issues, Midyear has always served as an important touchstone for NAR's political fundraising and advocacy efforts in Washington.

The Midwinter Meeting ended for good in 2000 and today NAR gathers twice a year for the REALTORS® Legislative Meeting & Trade Expo in the spring and the REALTORS® Conference & Expo in the fall. All members are invited to take part in the various education, business, certification, and networking sessions each meeting offers.

Collection:

B5:01 Box 1
