Keynote Online Video Education Series Launches New Website KeynoteCommunity.com

The Keynote Online Video Education Series helps state and local REALTOR® associations deliver top-shelf professional development offerings with second generation online video education. The series includes a wide variety of three to six hour CE and GRI courses taught by nationally-recognized speakers such as Chris Bird, Chandra Hall, Vern Jarboe, Jackie Leavenworth, Tom Lundstedt, Mark Porter and Barry Stranz.

The KeynoteCommunity.com website serves as an information hub for REALTORS®, Associations and speakers. REALTORS® are able to find information about Keynote courses, instructors and topics, as well as how to purchase courses and what CE options are available. REALTORS® will also find access to useful tips and tools, short video clips and information that can be quickly implemented to bring immediate results.

Brokers can bring additional value to their weekly office meetings by presenting a new idea, video tip or tool from the KeynoteCommunity.com website. New ideas, tips and tools are continually added to keep information fresh and current.

Associations will find information on how to become a Keynote partner, how to generate non-dues revenue and offer members a one-of-a-kind education experience. A Speaker Showcase includes resources and videos from nationally-known speakers for at-your-fingertips information for Education Directors, CEO's and Meeting/Event Planners.
